

# TOP TEACHER PD

## LIVE EVENT GUIDE

Are you passionate about taking control of your time management, optimizing your organization, and becoming a productivity master so you can stop bringing work home and create a better work-life balance?

**This TOP Teacher PD Live Event is designed to give you hands-on training in the areas of time management, organization, and productivity so you can return to your classroom with the skills and strategies you need to reduce your stress and overwhelm.**

Teaching to the TOP

# MEET YOUR PRESENTERS

Our names are Michelle Emerson and Bridget Spackman and we are here to make your life easier by helping you master your time, organization, and productivity as a teacher!

## MICHELLE EMERSON

Michelle started teaching in 2014 and taught multiple grade levels in different districts across Maryland. In addition to teaching full time, she was team lead, served as her school's e-coach, coached multiple after school programs, earned a master's degree, ran her own business (Pocketful of Primary), co-authored a book, and much more.

After moving to Austin, Texas in the summer of 2021, she shifted to providing professional development for teachers full time and is extremely passionate about supporting teachers!

## BRIDGET SPACKMAN

Bridget has been a classroom teacher since 2012 and teaches a multi-age class in Pennsylvania. While teaching full time, she has been able to balance multiple responsibilities at school, earning a master's degree, running her own business (The Lettered Classroom), writing a book, being a mother of two boys, and much more.

She is passionate about literacy instruction and has developed her own method called Bridging Literacy, which focuses on the authentic integration of reading and writing.
